

# HD Industrial Video Endoscope

- Fast replaceable
- Optical fiber lighting
- 360° steering
- 5" HD screen
- Megapixel
- 0.95mm-6mm Various probe
- IP67 waterproof
- Battery module

## 5" HD screen

720P HD real picture display

## Megapixel

Capture every detail with new technology camera

Quick change probe

## Optical fiber lighting

8 degree brightness

## High density tungsten wire material

360 degree ergonomic designs structure with good durability and corrosion resistance

- High density braid outer layer
- EPDM erosion resistant tubes
- Guide steel wire
- Flexible polyurethane inner layer
- Compressive steel ring

## IP67 waterproof and oil proof

The snake tube has the performance of heat insulation and chemical corrosion protection line, and can easily cope with the working environment with oil and water stains

Micro USB charging port

## Battery module

Long term endurance, coping with various complex environments and improving efficiency

## Product list
